# Anime Announcements & Industry Updates

---

## Current Event Overview

A significant event in Japan is leading to multiple anime-related announcements, anticipated over the next few days. This document compiles the most critical information.

## Key Anime Announcements

### Jujutsu Kaisen Season 3

---

**Release Date:** January 8

---

#### **Trailer Insights:**

Remarkably fast-paced; suggests high-intensity action.

---

Exceptional use of colors and animation quality.

---

Teased moments: Yuji Itadori's anticipated 1-vs-4 battle and Maki Zenin's significant moment.

---

**Illustrations:** New artwork featuring Yuta Okkotsu and Yuji Itadori.

---

## Jujutsu Kaisen: Boru to the Next Generation (Manga)

---

**Narrative Setting:** Story takes place approximately 40-70 years after the main Jujutsu Kaisen storyline.

---

**Release:** First volume released.

---

**Official Title:** Jujutsu Kaisen Module .

---

**Art:** Features new original artwork of Yuji Itadori by series creator Gege Akutami.

---

## Saga Days Season 2

---

**Announcement:** Officially announced with a teaser trailer.

---

## Hell's Paradise Season 2

---

**Previous Season Assessment:** Quality was noted to have declined towards the end of Season 1.

---

**Release Date:** January 11

---

**Teaser:** Revealed new characters, suggesting expansion of the narrative.

## JoJo's Bizarre Adventure Part 7: Steel Ball Run (Anime Adaptation)

---

**Anticipation:** High among manga readers.

---

### **Key Concerns:**

Animation quality: Apprehension regarding potential deviation from high standards (e.g., "One-Punch Man treatment").

---

Netflix's distribution model: Prior season's batch releases were unpopular; hope for a weekly release format.

---

**Streaming Platform:** Netflix.

---

**Premiere Date:** March 19

---

**Episode 1 Length:** 47 minutes .

---

## Mashle: Magic and Muscles Season 3

---

**Release Date:** 2027

---

## Kaiju No. 8: Final Arc

---

**Announcement:** Next season explicitly titled "Final Arc."

---

**Manga Context:** The source manga is relatively short.

---

**Implication:** Significant investment in a short series suggests potential "milking" of the franchise.

---

**Spin-off:** Original short animation titled "Narumi is Weak at Work" also announced.

---

## My Hero Academia: 10th Anniversary & Future Projects

---

**Anniversary:** Celebration of 10 years with a new visual.

---

**Continuity:** Main story is not concluded, with several side projects planned.

---

### My Hero Academia: Vigilantes Season 2

**Type:** Spin-off, prequel series (set years before the main story).

---

**Release Date:** January 5, 2026

---

### My Hero Academia: Chapter 431 Special Episode "MOR"

**Type:** Special episode based on manga Chapter 431.

---

**Release Date:** May 2, 2026

## Naruto

---

**Visual:** New official illustration released.

## Dandadan Season 3

---

**Visual:** New illustration released.

---

**Release Date:** 2027

## Evangelion (Neon Genesis Evangelion)

---

**Announcement:** New short anime series.

---

**Release Date:** February 2026

## That Time I Got Reincarnated as a Slime Season 4

---

**Format:** Announced for 5 "cores" .

---

**Core Definition:** In anime, one core typically consists of 12-13 episodes.

---

**Estimated Episodes:** This implies Season 4 will comprise approximately 60-65 episodes.

---

**Release Pattern:** The first two cores will be released consecutively over six months; the remaining three may have gaps.

**Observation:** *This extensive number of episodes for a single season is highly unusual in anime production.*

## Attack on Titan

---

**Illustration:** New artwork depicting an alternate, happier timeline (post-series).

## Oshi no Ko Season 3

---

**Release Date:** January 14

## Kaguya-sama: Love Is War – The Stairs to Adulthood

---

**Type:** New anime project (could be a special episode or short series).

**Official Title:** Kaguya-sama: The Stairs to Adulthood .

**Premiere Date:** December 31, 2025

**Audience Feedback:** Concerns noted about potential skipping of intermediate story arcs to jump ahead.

**Studio:** Produced by the same studio responsible for Solo Leveling .

## Vatoria Wind and Sword

---

**Animation Quality:** Described as superior to Solo Leveling.

---

**Season 2 Release:** April 2026 (Poster released).

## The Elusive Samurai Season 2

---

**Release Date:** July

## Dr. Stone: Science Future Part 3

---

**Arc:** This will be the final part of the "Science Future" arc, potentially concluding the entire anime.

---

**Release Date:** April 2026

---

**Fan Engagement:** Noted for high quality, but observed lack of visible online fan discussion.

## Blue Box Season 2

---

**Release Date:** Fall 2026 (approximately 1 year, 10 months from the current announcement).

---

**Visual:** An illustration/poster has been released.
